

Extended Day Registration

Hampstead Academy will reconvene the extended day program beginning on Monday, August 29, 2022 and run through June 13, 2023. The program runs daily from 2:45 PM until 5:00 PM, Monday through Friday. The extended day care program is not offered as an occasional drop-off, but instead, is designed to support families needing consistent after school supervision for children. Care can be contracted using the rate schedule below. Students **must** be registered for a minimum of three days a week: days to be chosen at time of registration. To ensure consistent and high-quality supervision, there is **no** credit for reserved sessions not attended. The contracts are based on a full academic year. There is a discount for full year payments, and/or for additional siblings but payments can also be billed monthly. Note on the schedule below, monthly bills vary and are based on actual programming. If contracted needs change, please contact the HA staff to consider requests on an individual basis. The fee schedule is calculated at a rate of \$8 per child, per hour. Each day children will meet the aftercare teacher in the school's cafe. When weather permits, outdoor recreation will always be offered, and the gym will be used as an alternative on inclement days. Children may also play games and work on homework with informal support. All children should plan on bringing a snack and drinks will be provided.
