## Hampstead Academy Early Childhood Program Questionnaire

Dear Families,

Please take a few minutes to answer the questions below. Your responses will help us begin to build a good connection between home and school by informing us of your child's development in the early years at home. Your responses will also help us to gain an understanding of your child's family structure and child's individual needs. Please use the back if you need more space to answer the questions completely.

What activities or hobbies does your family enjoy together (i.e. camping, museums, hiking, fishing, skiing?)

Are there any issues or concerns at home that we should be aware of?

Sharing information about home life is very important to educators who work diligently to help young children begin to understand and manage their emotions and behaviors. If there is anything happening at home please keep us informed; a pet or grandparent's death, the birth of a sibling or close cousin, change in babysitters, marriage of a close relative, impending divorce or separation, illness, surgery or hospitalization, or anything else that is out of the ordinary in your family's daily life.

What responsibilities does your child have at home?

Are there any particular interests or hobbies that your child has?

What extracurricular activities does your child participate in?

Has your child had any prior evaluations?

Has this child had any occupational therapy services in the past? If so, where and for how long?

Does your child take any medications regularly? If so, please list and describe what they are used for?

Does your child have any allergy or health issues?

Is your child afraid of anything?

Does your child take regular naps? If so, how long and how often?

Has your child had any previous preschool or play group experiences? If so, where and for how long?

What do see as your child's strengths?

What do see as your child's weaknesses?

How would you describe your child?

One important thing for you to know about my child is:

What hopes or goals do you have for your child in Preschool or PreK?

Do you currently have any questions or concerns about your child's growth and development?

Please check the skills below that your child can do independently.

Three, four, and five year olds may not be able to perform these tasks independently yet, we would just like to know what they are able to do independently so that we can continue to encourage independence.
