## Applying to Hampstead Academy

Thank you for your interest in Hampstead Academy. Our goal is to provide you with the information you need to determine if our school is a good fit, while learning about your child, how they learn, and if our school is a place where they would grow and thrive. Please feel free to contact us at any point during the application process.

### Information Session

All families should Hampstead Academy for an information session. During the session we present information on STEAM education, our school educational model, and take a tour of the school. Registration is required and available on our website. If you are unable to attend one of our scheduled tours, contact us to schedule a private tour.

### Complete the Application

Our applications are available on our website. Please download and complete it, then submit it to our school.

### Entrance Assessment

Once the application is completed and all supporting documents have been received, our admissions office will schedule a computer-based assessment of ability in math and reading.

### Visit the Class

An important component of the application process is the class visit. Once we have a completed application, we will schedule a class visit for your child.
