

Hampstead Academy

EARLY CHILDHOOD

Applying to Hampstead Academy

Thank you for your interest in the Early Childhood Education program at Hampstead Academy. Our goal is to provide you with the information you need to determine if our school is a good fit, while learning about your child, how they learn, and if our school is a place where they would grow and thrive. Please feel free to contact us at any point during the application process.

We offer Pre-kindergarten and Kindergarten for 4 and 5-year-old children. Children must turn 4 by September 30.

Information Session

All families should visit Hampstead Academy for an information session. During the session we present information on our Early Childhood Program, STEAM education, our school educational model, and take a tour of the school. Registration is required and available on our website. If you are unable to attend one of our scheduled tours, contact us to schedule a private tour.

Complete the Application

Our early childhood application is available on our website. Please download and complete it, then submit it to our school. Our school currently has rolling admissions.

Visit the Class

An important component of the application process is the class visit. We will schedule a class visit for your child. For Early Childhood, we schedule a morning visit, and parents are welcome to stay during that time.
